Of all of the texts studied using the word H8548 we must ask the question once again; **Is there EVEN ONE** of the texts in the Word Study above that can be used to define the use of H8548 in Daniel with the meaning of “paganism/anti-Christian?” If there is NOT ONE use of H8548 in all of the Old Testament which can be defined as “paganism”—then how can an entire Church be led away from the “Daily?” This belief will surely be a huge test to the Church in the near future!!!

The goat/Satan certainly benefits when he *takes away the Daily by reason of transgression* and exchanges it for paganism —the worship of anti-Christ. [FS-1.3](#)

Despite the evil of the last events of earth’s history, we praise God, for there are many members of God’s Church who understand the last-day messages of Daniel!
